### Not a Day in Bed

Gramling, S. C.—In a letter from Gramling Mrs. Lula Walden says: "I was so weak before I began taking Cardui that it tired me to walk just a little. Since taking it I do all the housework for my family of nine, and have not been in bed a day. Cardui is the greatest remedy for women on earth." Weak women need Cardui. It is the ideal woman's tonic because it is especially adapted for women's needs. It relieves headache, dizziness, dragging feelings and other female misery. Try Cardui. A few doses will show you what it can do for you. It may be just what you want.

The case of the United States against Sam C. Hopper was placed on trial Tuesday in the Federal Court at Covington. Hopper is alleged by the postal authorities to have called for and received a registered letter from the Postmaster at Springdale, by representing himself to be T. M. Fleming, to whom the letter was addressed. Hopper denied on the witness stand that he had secured the letter and denied all knowledge of the transaction, but admitted having been in Springdale and at the Post-office on that day.

The Weather Clerk had compassion on clothing men. To be sure at the price we are enabled to sell the Suits of our recent purchase,

**\$12.50 and \$15**

That are worth and sell for \$20 and \$22.50, have brought us quite a volume of business, considering the protracted weather. The now seasonable temperature will suggest lighter garments to many who up to now had not given it a thought. Come in and let us show you what we have in Suits, Spring Overcoats, Raincoats and the various accessories to make up your spring outfit.

We again respectfully call the attention of mothers to our Children's and Boys' Clothing. We believe it is the best and largest assortment in town. Comparing will do no harm. "Compare." Be sure and get your tickets for the number of presents we are going to present to our customers.

A PROGRESSIVE Louisville man, Mr. FRED LEVY, has donated to that city 50,000 catalpa trees, which will be planted this week. The trees were secured in Ohio. Such acts as these are enduring and stamps the giver as a man who loves nature, the public and the city beautiful. Is there no one in Maysville who desires to give this old town a couple of thousand catalpas trees?

The newspaper report starting at Louisville and extensively given credit by certain local papers, stating that Governor W. H. Cox would withdraw from the race for Governor, is wholly and maliciously false. The report is merely inspired by political trickery and was done to injure the candidacy of Mr. Cox.

When Governor Cox was asked about the report he was not surprised, he said, as the opposition is and will resort to any means to hamper him in the race.

Governor Cox is not a quitter and he requested THE PUBLIC LEDGER to state emphatically that he was in the race to stay and firmly believes he will win both the nomination and the election.

So, now, this forever nails the initial campaign lie of the season. What will be the next?

The voters everywhere are rallying to the standard of the "Man From Maysville," and WILLIAM H. COX will be the next Governor of Kentucky.

## DOINGS OF CONGRESS

### President's Message on Reciprocity is Brief—Big Fight Over Rules

WASHINGTON, April 5th—Both Houses of Congress listened today to President Taft's brief message urging the adoption of the reciprocity agreement with Canada.

Then with the Senate adjourned the Democratic House proceeded further with its organization by adopting a new set of rules.

To a great extent the new rules are a repetition of those that have been handed down by many Congresses in the past. The Democratic claim that their greatest reform is taking away from the Speaker his power to appoint committees and to designate the Chairman of each committee. The new rules provide for the election of committees and their Chairmen.

Ex-Speaker Cannon is taking a leading part in the House.

## HEAVY STORM

In Counties of Bath and Montgomery Causes \$100,000 Loss

SHARPSBURG, Ky., April 5th—A terrific storm of wind and rain swept over this neighborhood last night doing damage to buildings, fences and trees. The Presbyterian Church and the residence of Mrs. Eva Knight were partly unroofed, and one wall of the graded school building, a brick structure, was blown in. The ell part of the old Barkley homestead, South of town, was completely demolished. T. W. Berry's barn, Northeast of town, the largest in Bath county, containing 60,000 pounds of tobacco, was wrecked, as was also the barn of Bela Sharp, West of town. A number of other barns were blown down or badly damaged.

Mrs. A. R. Evans, wife of a wealthy farmer, had her hip broken when a gale was blown against her, and is in a serious condition.

It is estimated that the damage in this vicinity is about \$25,000, partly covered by tornado insurance.

Cloudburst at Middlesboro

MIDDLESBORO, KY., April 5th.—Damage estimated at over a million dollars was caused in Middlesboro and the Yellow Creek Valley last night by a cloudburst. Half of the town of Middlesboro was under water, which in some instances was up to the second floor of houses. Five trestles on the Mingo Hollow Railroad were washed out. Coal mines were flooded and 7,000 miners temporarily thrown out of employment.

MAN'S GREATEST ASSET

Is physical strength and bodily health. The bread winner cannot afford to give out.

It is a vital necessity that he keep his nervous and muscular system in good condition to withstand the daily wear and tear of life.

Those who are run-down, weakened or nervous should remember that nothing excels Vinol, which is a combination of the medicinal elements of the cod's liver and tonic iron, to strengthen the digestive organs, create an appetite, make new blood and restore strength.

Prof. James Mitchell of Jasper, Ont., says his system was run-down to a critical point from overwork. A friend told him to take Vinol. He did so and is now enjoying perfect health, and he considers Vinol a wonderful tonic. (We guarantee this testimonial to be genuine.)

We ask every run-down, over-worked, weak person in this vicinity to try a bottle of Vinol with the understanding that their money will be returned if it does not do all we claim. John P. Peor, Druggist, Maysville, Ky.

A Clean Man

Outside cleanliness is less than half the battle. A man may scrub himself a dozen times a day, and still be unclean. Good health means cleanliness not only outside, but inside. It means a clean stomach, clean bowels, clean liver, and new, clean, healthy tissues. The man who is clean in this way will look it and act it. He will work with energy and think clean, clear, healthy thoughts.

He will never be troubled with liver, lung, stomach or blood disorders. Dyspepsia and indigestion originate in unclean stomachs. Blood diseases are found where there is unclean blood. Consumption and bronchitis mean unclean lungs.

Dr. Pierce's Golden Medical Discovery

prevents these diseases. It makes a man's insides clean and healthy. It cleans the digestive organs, makes pure, clean blood, and clean, healthy flesh.

It restores tone to the nervous system, and cures nervous exhaustion and prostration. It contains no alcohol or habit-forming drugs. Constipation is the most unclean uncleanliness. Dr. Pierce's Pleasant Pellets cure it. They never gripe. Easy to take as candy.

Declines to Accept Resignation

The Board of Curators of Transylvania University, Lexington, declined to accept the resignation of President R. H. It was the sentiment of the Curators that it would be unwise to accept President Crossfield's resignation at this time, because of the campaign that is being made under his leadership for an endowment fund of \$250,000 for University extension work.

Ordered that the County Clerk draw his warrant upon the County Treasurer, counter-signed by the Sheriff, for all claims allowed at this term.

Court adjourned until May 10th.

The above claims will be paid on presentation at the County Clerk's office in Sutton street.

Mrs. Florida C. Easton, widow of George Easton, who, over fifty years ago was a merchant in Ripley, Ohio, died Tuesday at the residence of her daughter, Mrs. L. E. Porter, Walnut Hills, Cincinnati, at the age of 92. She was the mother of Rev. George Easton.

Mrs. H. B. Cushman of Flemingsburg was in Maysville yesterday shopping and was accompanied by her granddaughter, Mrs. C. T. Hazlerig, and little Miss Frances Hazlerig, her great-granddaughter. Miss Cushman was a former resident of Dover and is quite young looking to have a great-granddaughter.

Mr. J. P. Vaughn of Antioch, Ala., brother of Mrs. W. H. Dawson of the East End, is here on his first visit in forty years. Mr. Vaughn was a member of the Sixteenth Kentucky Infantry during the Civil War and is meeting with a glad reception with the few remaining comrades of his old Regiment.

Mason Circuit Court.

Yesterday in the case of Andrew Hunter against Charles Moore, et al., the Jury returned a verdict in favor of plaintiff for \$310 with interest.

The Sheriff reported D. M. Reveal and James Dawson as regular jurors, who appeared in Court and took their seats.

Marketing in Olden Times

Mr. Sam G. Boyd of Covington was in Maysville yesterday visiting his boyhood friend, Colonel R. B. Lovel. Both were from near Concord in "the State of Lewis," and their meeting yesterday resulted in a happy discussion of many adventures of bygone youthful days. Mr. Boyd and Mr. Lovel related to THE LEDGER man how over half a century ago they both used to bring marketing to Maysville when the old market house was the headquarters for anything grown on the farm. Then eggs sold at four dozen for 25 cents and apples 10 to 25 cents a barrel. Apples were so cheap that they merely sold the barrel and gave the apples away. Mr. Boyd was a partner of his deceased brother, the late Captain C. W. Boyd of Leavans, O., and owned the largest saw and planing mill on the Ohio river. The plant was destroyed by fire in August, 1887, with \$250,000 loss. Mr. Boyd is quite wealthy and resides with his family at Wallace Place, Covington. His daughter married Mr. Charles B. Osborne of Chicago, son of Mr. and Mrs. W. S. Osborne of Tackashoe, this county. He went up last evening to Rome, O., opposite Wilson's Bottom, his native birth, where he and Colonel Lovel romped around as boys, fishing, playing hockey from school and purloining an occasional watermelon.

TIME TO AGT

DON'T WAIT FOR THE FATAL STAGES OF KIDNEY ILLNESS—PROFIT BY MAYSVILLE PEOPLE'S EXPERIENCES

Occasional attacks of backache, irregular urination, headaches and dizzy spells are common early symptoms of kidney disorders. It's an error to neglect these ills. The attacks may pass off for a time, but return with greater intensity. If there are symptoms of dropsy—puffy swellings below the eyes, bloating of limbs and ankles or any part of the body—don't delay a minute. Begin taking Doan's Kidney Pills, and keep up the treatment until the kidneys are well, when your old-time health and vigor will return. Cures in Maysville prove the effectiveness of this great kidney remedy.

Fredrick Dreesel, 1238 East Second street, Maysville, Ky., says:  
"I consider Doan's Kidney Pills a most excellent remedy for kidney trouble and am only too glad to speak in their praise. About five years ago I was bothered by weak kidneys and the kidney secretions were scanty and attended with pain during passage. Sharp twinges across the small of my back were common and greatly interfered with my work. While telling a friend of my condition, he advised me to use Doan's Kidney Pills and I procured a box at J. J. Wood & Son's Drugstore. I used them according to directions and they gave me prompt relief."

For sale by all dealers. Price 50 cents. Foster-McIlhenny Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

## "How Can I Appear Best Always At the Smallest Money Cost?"

This is a mighty important question to you. It strikes right at the heart of the clothes question. We can best help you answer it. It's not the first cost that counts. An unworthy garment is the most expensive in the end. The secret of dressing well at a minimum expense lies in the care of the selection. If you select wisely and well, we have no fear that you will pass our present offerings. And the first cost of clothes—the kind we sell, admittedly the finest garments procurable, made specially for us—is no greater than that of ordinary clothes.

The Mission Sunday school was reorganized at Pleasant Hill Schoolhouse April 24. With eight changes the old officers were re-elected. A small corps of consecrated teachers was secured. A goodly number of children were present. Altogether a good beginning. Hour of meeting 9:30 a. m. A thirty-minute prayer service will be held at the close of each meeting each Sunday.

Mr. Benjamin Cobb, aged 75 years, and a veteran of the Civil War, died at his home near here Thursday. He had been in failing health for months, and when his brother, Edward, passed away just three months ago he became despondent, lost to his bed, from which he never rose again without assistance. These brothers were devotedly attached to each other, and as "they were lovely and pleasant in their lives, in death they were not long divided." Mr. Cobb's remains preceded him to the grave many years ago. He leaves many children and grandchildren to mourn for him. The funeral services were conducted at Bethany Saturday by Elder Phillips.

### PECK-WILLIAMSON UNDERFEED FURNACE OR BOILER

Choose the system you like best—warm air, steam or hot water. Cheap and slack in the Underfeed yields as much clean, even heat as most expensive grades, which ordinary heating plants require. All the fire is on top and has to eat down into the fuel bed against the draft. Combustion is slow and perfect, and smoke, soot and gases are entirely eliminated. This enables Underfeed furnace and boiler users to
